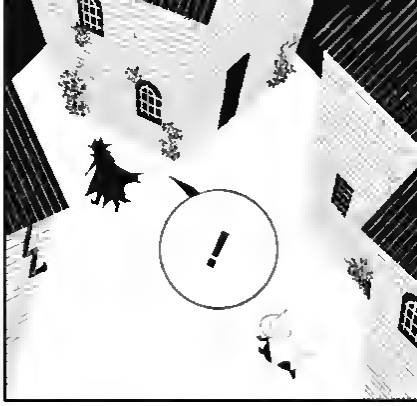
If one avoids evil, one avoids bad luck. . so, please stop.
Thanks for the warning.
Every year a lot of sorcerers gather, but
the extremely cold-hearted Magic Queen's the only one who's happy
There's a sea of people that are executed for provoking her wrath.
But
even if it was your partner, a God, or a witch; it doesn't have anything to do with this.
In response to your demand, it is a bard's job to sing poetry.
Are you a rebellious person!?
Alright! I'll definitely go!
Besides when you say stop, I want to go at any cost.
DASH!



T/N: Aniki means big brother.

If an amateur walks blindly, it'll be dawn?
In order to ward off foreign enemies, the streets are confusing like a maze.
This country as a whole has one fortress
Let's join forces!
So, from here on, I'll show you to the castle...

Thus the nickname 'Barking Dog'
Even though he's an outcast, it's his cocky mouth that makes him a disliked person.
Saa... If it's that pipsqueak, I know him. It's Apollo the Barking Dog.
Who is this?

I wish always under the guise of a guide, looking for a sucker
A dejected loser that turns the other way!
Even teachers have given up on him. It seems to flow in this country.
The Magic Queen, much less even the gatekeeper will not associate with him.

It's better to become friends with this genuine sorcerer, Maazu sama!
If you have your eye on the castle
Oi, black! Do you care about this guy!
